**MOTION AND TRIAL
SCHEDULING ORDER**

21-CR-00113 (PMH)

At today's pretrial conference, the Court set the following briefing schedule for pretrial motions:

1. Defendant's motions, if any, shall be filed by **July 27, 2022**.
2. The government's opposition shall be filed by **August 26, 2022**.
3. Defendant's reply, if any, shall be filed by **September 9, 2022**.
4. Absent prior permission, sur-reply papers will not be accepted.

The Court encourages and appreciates brevity. Absent prior permission, memoranda of law in support of and in opposition to motions are limited to 25 pages, and reply memoranda are limited to 10 pages.

Counsel shall submit a courtesy copy of all motion papers to Chambers.

If an evidentiary hearing is requested, that request must be made by letter to accompany the courtesy copies delivered to Chambers. The letter should indicate whether the government consents to a hearing.

The parties are hereby notified that jury selection and trial in this action are tentatively scheduled to begin on **November 14, 2022** at 9:30 a.m. Accordingly, the deadlines for pretrial submissions are as follows:

1. Rule 404(b) evidence (if any) shall be disclosed by no later than **August 12, 2022**. The government shall fully comply with the notice requirements set forth in Rule 404(b)(3), and supplement that disclosure with citation to caselaw authority for the proposed use.
2. Motions *in limine*, including any government motion to admit or motion to oppose the use of Rule 404(b) evidence, shall be filed by **August 19, 2022**. Opposition shall be filed by **August 26, 2022**. No replies will be permitted.
3. Proposed *voir dire*, requests to charge with exact citation to authority, and a proposed verdict sheet shall be filed by **August 26, 2022**. The parties are directed to meet and confer

and agree to the extent possible on the proposed charge. If the defendant disagrees on the charge, it should set forth its proposed charge immediately below the government's proposed charge (with citation to authority) so that the Court has one proposed charge. Counsel are also directed to meet and confer concerning proposed *voir dire* questions and prepare one document setting forth the questions agreed to by the parties and additional questions, if any, that the parties cannot agree to. Counsel for the parties shall also confer and provide to the Court a joint, concise written statement describing the case in an impartial, easily understood manner, for the Court to read to the jury panel prior to *voir dire*.

4. 3500 material and *Giglio* material, if any, shall be produced by **September 9, 2022**, with courtesy copies produced to the Court contemporaneously.
5. Marked government case-in-chief exhibits shall be produced by **September 9, 2022**, with courtesy copies produced to the Court contemporaneously. The government's exhibits shall be marked by numbers and defendant's exhibits by letters. Any objections to the government's case-in-chief exhibits shall be served and filed by **September 16, 2022**.
6. To the extent electronic media is to be used, counsel shall confer with the Courtroom Deputy and A/V Department to ensure the technology is working properly in advance of trial.
7. Counsel shall provide to the Court, not exchange, witness lists no later than **September 9, 2022**. The witness lists shall provide a brief description and the purpose of each witness to be offered. Counsel has a continuing obligation to supplement upon learning of any additional witnesses.
8. Counsel shall confer to agree on any stipulations of fact to be read into the record. The Court strongly encourages those stipulations to be reduced to writing, signed by counsel and the defendant, and submitted to the Court no later than three business days prior to trial.
9. Should the defendant choose to enter a plea of guilty, a Notice of Intent shall be filed at least two business days prior to the final pretrial conference and a copy of the plea agreement, if any, must be immediately provided to the Court by email.
10. Counsel should not expect the Court to hold bench conferences during trial to consider legal issues or evidentiary rulings that could have been raised before trial without a showing that counsel could not, by the exercise of due diligence, have anticipated them prior to trial.
11. The final pretrial conference is scheduled for **November 7, 2022** at 2:30 p.m., Courtroom 520.
12. Jury selection and trial are scheduled to begin **November 14, 2022** at 09:30 a.m.

13. For the reasons stated on the record at today's conference, time is excluded under the Speedy Trial Act in the interest of justice though **November 7, 2022**.
